

The Shrewsbury and
Telford Hospital
NHS Trust

CONSULTANT OBSTETRICIAN AND GYNAECOLOGIST INFORMATION FOR CANDIDATES

Our Vision and Values

The Shrewsbury and Telford Hospital NHS Trust is an organisation that strives to provide high quality, safe care for our patients in an environment which our staff are proud to work in

Our Vision:

“To provide excellent care for the communities we serve”

Our Values:

About our Vision

We believe that by adhering to our Vision and working with our Values in mind we can behave in a way which will ensure the right results for the people that matter most – our patients and their families.

About our Values

Our Trust Values provide a guide for our daily lives which we are all expected to uphold, both at work and when we are representing the Trust.

Our Values were developed by staff and our patients, so they represent what is important to us within the organisation and the way we should all behave towards patients, carers, visitors, partners and each other.

You will see our Values throughout the Trust; they are not just words on a page, they represent what we are about here at SaTH. We want patients and their families to say that the care and service they receive from all of us is consistently high-quality, safe, effective and personalised, so the feelings behind the Values shouldn't come as a surprise to anyone working in the NHS.

The reason why it is important that they are clearly written down is so we all know what's expected, and none of us are surprised if we are asked to explain any unacceptable behaviour.

About the Trust

The Shrewsbury and Telford Hospital NHS Trust (SaTH) is the main provider of acute hospital services for around half a million people in Shropshire, Telford & Wrekin and mid Wales.

Encompassing some of the most picturesque parts of England and Wales, the Trust's catchment stretches from the Cambrian Mountains in the west, to Newport and the fringes of the Black Country in the east. The main towns include: Bridgnorth, Ludlow, Market Drayton, Oswestry, Shrewsbury and Whitchurch (in Shropshire); Newport, Telford and Wellington (in Telford & Wrekin); and Newtown and Welshpool (in Powys) – all beautiful and unique.

Our main service locations are the Princess Royal Hospital (PRH) in Telford and the Royal Shrewsbury Hospital (RSH) in Shrewsbury which are located 20 minutes' drive apart. Together they provide 99% of our activity. Both hospitals provide a wide range of acute hospital services including accident & emergency, outpatients, diagnostics, inpatient medical care and critical care.

We also provide services such as consultant-led outreach clinics at the Wrekin Community Clinic, Telford, the Robert Jones and Agnes Hunt Orthopaedic Hospital, Gobowen and the Bridgnorth, Ludlow and Whitchurch Community Hospitals.

We employ almost 6,000 staff, and hundreds of staff and students from other organisations also work in our hospitals. We benefit from around 1,000 wonderful volunteers, and our main charitable partners are the League of Friends at the Royal Shrewsbury Hospital, Friends of the Princess Royal Hospital, and the Lingen Davies Cancer Appeal which is based at the Royal Shrewsbury Hospital.

We are committed to providing the best possible diagnostic facilities and high-quality clinical care in a clean, supportive environment where patients are treated effectively with respect and dignity.

The Shrewsbury and Telford Hospital NHS Trust continues to work with our partners in health and social care in Shropshire, Telford and Wrekin and mid Wales to develop patient-focused services that meet the needs of our communities.

Plans have been given the go ahead to transform local hospital services for the half a million residents of Shropshire, Telford & Wrekin and mid Wales to make sure two vibrant hospitals and the wide range of services they provide for people locally are kept in the county. This landmark decision will result in better care for patients, secure the £312m on offer from HM Treasury and develop both hospital sites to deliver state of the art facilities in which staff will be proud to work and patients will choose to be treated.

Main Duties & Responsibilities

Clinical

- Antenatal clinics
- Elective caesarean section lists
- Resident Obstetric night shifts (acute work)
- Resident Gynaecology shifts (acute work)
- Non-resident on-calls (Gynaecology)
- Gynaecology clinics – General
- Gynaecology triage sessions
- Hysteroscopy (outpatients)
- Gynaecology theatres
- To develop enhanced clinical skills, especially in the assessment and management of acutely ill patients.
- To have excellent team-working skills with the abilities and professional attitude to work well in a multi-professional team.
- To deliver clinical and quality targets agreed both nationally and locally with clinical teams and commissioners.
- To follow patients throughout their clinical pathways.

Organisational

- To work with local managers and professional colleagues in the employing Trust in the efficient running of the service.
- To be subject to the provisions of the Terms and Conditions of Service, be required to observe the Trust's agreed policies and procedures, drawn up in consultation with the profession on clinical matters and to follow the local and national employment and personnel policies and procedures.
- To participate in the Continuous Professional Development and the Trust's appraisal scheme.
- To be aware of the responsibility of all employees to maintain a safe and healthy environment for patients, visitors and staff and attend all relevant health and safety training.
- Ensure that all Trust-wide standards are maintained to improve the quality of total care to all who come into contact with services provided by Shrewsbury and Telford hospital NHS Trust.

This job description is not intended to be exhaustive. The post holder will be expected to carry out any reasonable duties requested of them, appropriate to the grade and role of the post. Duties and responsibilities may vary from time to time in light of changing circumstances and in consultation with the post holder.

Job Description

Job Title:	Consultant Obstetrician and Gynaecologist
Grade:	Consultant
Division:	Women & Children's
Responsible to:	Divisional Medical Director
Professionally Accountable to:	Medical Director
Hours:	10 Pas
Duration:	Permanent
Salary:	£105,504 -£139,882 Per Annum [YC72]

Job Summary

We are looking to appoint an enthusiastic Consultant Obstetrician and Gynaecologist. You will join a team of 27 consultants working across the field of Obstetrics & Gynaecology in a busy District General Hospital. This is a balanced Obstetrics and Gynaecology job role covering Antenatal clinics, elective caesarean section lists, General gynaecology clinics, outpatient hysteroscopy, gynaecology triage sessions and Gynaecology elective theatres. Acute care will be resident Obstetrics nights, resident Gynaecology days and non-resident gynaecology on call. All acute services including the labour ward are based at the Princess Royal site. Elective activity can be provided at both the Princess Royal Hospital and Royal Shrewsbury Hospital sites.

The Post

The Obstetric Service

The Consultant Obstetric Unit is located at the Princess Royal Hospital with a midwifery led unit in Shropshire. Midwifery practice in mid-Wales is also supported by the Consultant Unit. The Consultant and alongside midwife led unit conducts approximately 4500 deliveries per year.

The Consultant Maternity Unit currently has 56 beds and a Level 2 neonatal unit of 22 cots. 18 of the 27 Consultants are responsible for acute labour ward practice (six Consultants conduct pure gynaecology practice). Consultant presence on the Delivery Suite is resident 168hrs per week.

Antenatal practice is divided up into specific speciality clinics to which expectant mothers are allocated. The vast majority of routine and detailed scans are performed within the department. Specific antenatal clinics are supported by consultant physicians and Nurse Specialists. Antenatal clinics are staffed with two consultants in each clinic and Tier1 or Tier 2 staff are supernumerary and there for education & training.

We have a very active maternal and fetal medicine unit. The vast majority of routine and detailed scans with invasive diagnostic procedures are performed within the department. We have close links with the fetal medicine departments in Birmingham Women's Hospital and University Hospital North Midlands.

The Neonatal Service

The neonatal unit is designated as a Local Neonatal Unit (level 2), working in conjunction with the West Midlands Perinatal Network Neonatal to ensure effective care for preterm and term babies. The neonatal unit has established pathways for in-utero and ex-utero transfers, working specifically with the Obstetric and Neonatal Intensive Care Units in the Royal Stoke and Royal Wolverhampton Hospitals as part of this network. The Unit is supplied by 2 Consultant Neonatologists and 5 Consultant Paediatricians with a specific interest in Neonatology. They provide dedicated neonatal care for the neonatal unit only. There Tier 1 and Tier 2 neonatal rota is supported by Speciality doctors, Postgraduate Doctors in Training and Advanced Neonatal Nurse Practitioners who work solely on the neonatal rota ensuring safe and effective care. There are 22 cots including six intensive/high dependency cots.

The Gynaecology Service

The gynaecological inpatient unit is located at the Princess Royal Hospital. At present, there are 12 beds with the use of further beds in the day surgery unit at both the Royal Shrewsbury Hospital and Princess Royal Hospital. Each year we perform:

- 1900 day case procedures
- 600 elective inpatient procedures
- 12400 new outpatients
- 11000 follow-up patients

A full range of gynaecology procedures are provided including advanced laparoscopic, robotic and urogynaecology surgery, advanced ambulatory procedures and colposcopy. There is a large and very active ambulatory care unit performing MyoSure, NovaSure and other outpatient techniques. There is specific Consultant-led practice in cervical pathology; oncology; fertility; ambulatory care and urogynaecology; and full facilities are available for the support of minimal access gynaecological surgery. Early pregnancy assessment is supported by nurse lead practice in both the Princess Royal and the Royal Shrewsbury Hospitals. The gynae-oncology service is provided at the unit level at SaTH with tertiary level cancer centre support provided by the University of North Midlands and the Royal Wolverhampton Hospitals. Gynae-oncology MDT meetings are held every Wednesday morning with support provided at the meeting by Gynae-oncologists from nearby tertiary centres.

Consultant

Specialty Trainees (ST1-2)

11WTE ST1-2 (including 5WTE GP Specialist Trainees and 1 WTE FY2)

Foundation Training Programme Trainees

3WTE FY1 and 1 WTE FY2

On-Call Arrangements

When on call you are solely performing your on call duties and no other SPA or DCC work is scheduled during this time or allowed.

Obstetric shifts (acute work) are staffed as follows:

- Daytime 8.30am-9pm Consultant, T2, T1, 7 days a week
- Second Tier 2 8am to 7pm 7 days a week to support Maternity Triage and acute Gynaecology activity.
- Nights 8.30pm-9am resident Consultant, T2 & T1 with additional non-resident consultant support 7 days a week. The T1 and T2 also cover gynaecology at night.

Gynaecology on-calls are staffed as follows:

- Monday- Friday 8am-6pm resident gynae consultant with FY1 +/-T1 support + Triage 2 support. 6pm-8am non-resident on call gynaecology consultant. T1 and T2 on obstetric night cross-cover gynaecology as above.
- Saturday Sunday 8am-12pm and 6pm-8pm resident gynae consultant, outside of these times consultant is non-resident. A minimum of a T1 will be resident 8am-8pm

*There are always two consultants available either on site or non-resident 24/7 to cover both Obstetrics & Gynaecology.

Non-resident on-calls are defined as Category A

Resident Night Duties

We have consultants resident 24/7. Night shift times are 8.30pm until 9am and all these hours are resident. An ensuite room close to labour ward is provided which has a bed, shower, and mini kitchen facilities available for you to utilise overnight if activity allows.

When you are on resident nights there will always be a Consultant Gynaecologist who will attend to conduct all emergency gynae surgery. You do not cover both roles at the same time.

There is always a non-resident consultant who can come and assist when needed, i.e. high workload, complex cases. This non-resident consultant will always attend for cases such as any return to theatre or C/Section hysterectomy etc.

Ward Rounds

Ward rounds are only expected to be conducted when you are covering acute work (ie. you will see all admitted Obstetric patients or Gynaecology patients). For elective surgery (caesareans or gynaecology) you will see patients prior to surgery and postoperatively (time is included in the sessions for this). Ward rounds are not expected at any other times.

Job Plan

A formal job plan will be agreed between the successful candidate and the Clinical Director on behalf of the Medical Director within 3 months of starting in post. A full-time job plan is based on a 10 PA working week. The job plan will be reviewed annually and is a prospective agreement that sets out the consultant's duties, responsibilities, and objectives for the coming year. It covers all aspects of a consultant's professional practice including clinical work, teaching, research, education and managerial responsibilities. It will provide a clear schedule of commitments, both internal and external and will include personal objectives, detailing links to wider service improvements and trust strategic priorities.

For a full-time contract, the job plan will be divided on average per week (pro-rata for a part time post) as:

- 8.5 Programmed Activities (PAs) of Direct Clinical Care - includes clinical activity, clinically related activity and predictable and unpredictable emergency work.
- 1.5 Core Supporting Professional Activities (SPA) - includes CPD, audit, appraisal, guidelines, teaching and research.
- Opportunities for further SPA roles can be decided once appointed should you wish. These will be to be discussed and agreed with the Obstetric and Gynaecology CD's to suit the successful candidates' strengths and interests and needs of the department.

The allocation of PAs is reviewed and may be subject to adjustment when a further diary exercise is undertaken or if the service demands a review of the team job plan.

Any applicant who is unable, for personal reasons, to work full-time will be eligible to be considered for the post. If such a person is appointed, modification of the job content will be discussed on a personal basis with the Trust in consultation with other consultant colleagues.

Timetable

The following provides scheduling details of the clinical activity and clinically related activity components of the appointee's standard working week.

This timetable is indicative only and the formal job plan will be agreed between the successful applicant and their clinical director within 3 months of starting in post.

Week	Mon	Tues	Wed	Thurs	Fri	Sat	Sun
Week 1			Hysteroscopy	Gynae Triage	On call Friday-Sunday: 1:16 Obstetric night 8:30pm- 9:00am 1:16 Gynaecologist (Friday 8:00am-6pm) (Saturday & Sunday 8:00-12pm, and 6pm-8pm)		
			Admin	Gynae Theatre			
Week 2	OFF		SPA core	Antenatal clinic	Gynae clinic		
			Admin	Antenatal clinic	Gynae clinic		
Week 3		Gynae Theatre	Gynae Triage	Gynae clinic	SPA core		
			Admin	Gynae clinic	SPA core		
Week 4	SPA core		Gynae clinic	Antenatal clinic	SPA core		
	SPA core		Admin	Antenatal clinic			
Week 5	On call week Monday - Thursday: 1:16 Obstetric consultant of the night 8:30pm- 9:00am 1:16 Gynaecologist of the day 8:00am-6pm				Off		
Week 6	Caesareans		Gynae Theatre	Antenatal clinic	SPA core		
	Hysteroscopy		Gynae Theatre	Antenatal clinic	Admin		
Week 7	Gynae Theatre		SPA core	Gynae clinic	SPA core		
	Gynae Clinic		Admin	Gynae clinic	SPA core		
Week 8	Caesareans		Gynae Triage	Antenatal clinic	SPA core		
	SPA core		Admin	Antenatal clinic	Hysteroscopy		

This is an 8 week rolling rota for elective activity. On call activity is 1:16 Obstetrics and 1:16 gynae, but occurs at the same space on the 8 week rolling rota. This timetable is indicative only and the formal schedule will be agreed between the successful applicant and the clinical director.

Rota notes

Obstetric consultant at night:	20:30-09:00
Gynaecology Consultant Monday -Friday	08:00-18:00
Gynaecology Consultant Saturday- Sunday	08:00-12:00 and 18:00-20:00
Core SPA	Morning: 9:00-13:00 Afternoon 13:00-17:00
Admin session	Morning: 9:00-13:00 Afternoon 13:00-17:00
Antenatal clinics	Morning: 9:00-13:00 Afternoon 13:30-17:30
Gynaecology clinic	Morning: 9:00-13:00 Afternoon 13:30-17:30

Gynae triage	Morning: 8:00-12:00	Afternoon 13:00-17:00
Hysteroscopy	Morning: 8:00-13:00	Afternoon 13:00-18:00
Caesareans	Morning: 8:00-13:00	
Gynae theatres	Morning: 8:00-13:00	Afternoon 13:00-18:00

All elective sessions above are 4 hours, except Hysteroscopy, Caesareans and Gynae theatres which are 5 hours.

The job also includes:

- Non-resident Gynaecology on call (defined as Category A):
 - 5 times in 16 weeks (Monday, Tuesday, Wednesday, Thursday, Friday) 18:00-08:00
 - 2 times in 16 weeks (Saturday, Sunday) 12:00-18:00, and 20:00-08:00
- Non-scheduled sessions in the job plan include:
 - 2 x PMRT sessions per year. 8 hours per session – one to attend the panel and one to prepare the cases.
 - 2 x ATAIN sessions per year. 2 hours each.

General Conditions

Annual Leave

Doctors upon first appointment to the Consultant grade shall be entitled to annual leave at the rate of 32 days a year. Doctors who have completed a minimum of 7 years' service as a Consultant shall be entitled to annual leave at the rate of 34 days per year.

The rate of annual leave will be based on a full-time contract of 10 PAs. Additional PAs above 10 PAs will not accrue additional entitlements to annual leave over and above the full-time allocation. For consultants working

part-time, the full-time entitlement will be pro-rated in accordance with the contracted PAs.

Study Leave

Professional and Study leave includes but is not restricted to participation in:

- Study, usually but not exclusively or necessarily on a course or programme.
- Research
- Teaching
- Examining or taking examinations
- Visiting clinics and attending professional conferences
- Training

The appointee will be entitled to 30 days of Study/Professional Leave across a 3-year fixed period with a set budget.

Research

It is usual for the Trust to be participating in many research projects at any time. Every effort would be made to accommodate a particular research interest you may have, particularly if trainee members of the department could be incorporated in the methodological and practical stages.

Audit

Great importance is placed upon audit within the Shrewsbury and Telford Hospital NHS Trust and you will be expected to contribute to this as part of your role. The Trust has a fully staffed Audit Department at both hospitals with extremely well-organised teams.

Appraisal, Revalidation and Mentorship

- The Trust has the required arrangements in place, to ensure that all Doctors have an annual appraisal with a trained appraiser and supports all Doctors going through the revalidation process.
- The Trust supports the Royal College of Physicians Guidance on provision of mentors for new Consultants, in line with GMC recommendations. This will be provided within the Trust.
- We will require you to register SaTH as your designated body via the GMC to ensure that you are set up on the Premier IT Revalidation e-Portfolio (PReP) Revalidation System. We will complete this as soon as possible upon your commencement with the Trust.
- The Trust also supports the requirements for continuing professional development and is committed to providing time and financial support for these activities.
- A formal review of the job plan will be performed at least annually. Appropriate educational and training needs will be supported by the Trust, as agreed with the LNC (for example, the approval and funding of study leave). An annual job plan review at individual and departmental level is being introduced. You will be expected to participate in this exercise.
- We will require you to register SaTH as your designated body via the GMC to ensure that you are set up on the Equiniti Revalidation System. We will complete this as soon as possible upon your commencement with the Trust.
- The Trust also supports the requirements for continuing professional development and is committed to providing time and financial support for these activities.

Accommodation

The Trust offers single residential accommodation for medical staff depending on availability. The Trust only provides single accommodation so private rental would need to be arranged for family accommodation.

Other Facilities

There is an active Doctors Mess run by the Junior Doctors Mess Committee which organise social events, parties, outings etc. There are on-site fitness centres (a membership fee is payable) available to all members of staff.

Office and Secretarial Support

The post holder will have full-time secretarial support with an adequately equipped office that will include a computer with access to Trust IT facilities.

Staff Benefits

There are a number of staff benefits schemes which attract tax reductions if joined. This includes a discount on the staff car parking charge, staff gym membership, on-site crèche/childcare provision and access to NHS Discounts schemes.

Health & Safety

As an employee of the Trust you have a responsibility to:

- Take reasonable care of your own health and safety and that of any other person who may be affected by your acts or omissions at work, and ensuring a COVID secure workplace for the team.
- Co-operate with the Trust in ensuring that Statutory Regulations, Codes of Practice, Local Policies and Departmental Health and Safety Rules are adhered to.
- To not intentionally or recklessly interfere with or misuse anything provided in the interests of health and safety.

Infection Prevention and Control

The prevention and management of acquired infection is a key priority for the Trust. Any breach of Infection Control Policies is a serious matter which may result in disciplinary action. As an employee of the Trust you have a responsibility to:

- Ensure that your work methods are compliant with the Trust's agreed policies and procedures and do not endanger other people or yourself.
- Be aware of Infection Prevention and Control Policies, Practices and Guidelines appropriate for your duties and you must follow these at all times to maintain a safe environment for patients, visitors and staff.
- Maintain an up-to-date knowledge of Infection Prevention and Control, Policies, Practices and Procedures through attendance at annual mandatory updates and ongoing continuing professional development.
- Challenge poor infection prevention and control practices of others and to report any breaches, using appropriate Trust mechanisms (e.g. incident reporting policy).

Information Governance

The Trust is committed to compliance with Information Governance standards to ensure that all information is handled legally, securely, efficiently and effectively. You are required to comply with the Trust's Information Governance policies and standards. Failure to do so may result in action being taken in accordance with the Trust's Disciplinary Procedure.

- Confidentiality and Security - Your attention is drawn to the confidential nature of information collected within the NHS. Whilst you are employed by the Trust you will come into contact with confidential information and data relating to the work of the Trust, its patients or employees. You are bound by your conditions of service to respect the confidentiality of any information you may

come into contact with which identifies patients, employees or other Trust personnel, or business information of the Trust. You also have a duty to ensure that all confidential information is held securely at all times, both on and off site.

- **Disclosure of Information** - The unauthorised use or disclosure of information relating to the Trust's activities or affairs, the treatment of patients or the personal details of an employee, will normally be considered a serious disciplinary offence which could result in dismissal. Upon leaving the Trust's employment and at any time thereafter you must not take advantage of or disclose confidential information that you learnt in the course of your employment. Unauthorised disclosure of any of this information may be deemed as a criminal offence. If you are found to have permitted the unauthorised disclosure of any such information, you and the Trust may face legal action.
- **Information Quality and Records Management** - You must ensure that all information handled by you is accurate and kept up-to-date and you must comply with the Trust's recording, monitoring, validation and improvement schemes and processes.

Professional Standards and Performance Review

As an employee of the Trust you have a responsibility to:

- Participate in statutory and mandatory training as appropriate for the post.
- Maintain consistently high personal and professional standards and act in accordance with the relevant professional code of conduct.
- Take responsibility for the maintenance and improvement of personal and professional competence and to encourage that of colleagues and subordinates.
- Participate in the Trust's appraisal processes including identifying performance standards for the post, personal objective setting and the creation of a personal development plan in line with the NHS Knowledge and Skills Framework outline for the post.

Safeguarding Children and Vulnerable Adults

We all have a personal and a professional responsibility within the Trust to identify and report abuse. This may be known, suspected, witnessed or have raised concerns. Early recognition is vital to ensuring the patient is safeguarded; other people (children and vulnerable adults) may be at risk. The Trust's procedures must be implemented, working in partnership with the relevant authorities. The Sharing of Information no matter how small is of prime importance in safeguarding children, young people and vulnerable adults.

As an employee of the Trust, you have a responsibility to ensure that:

- You are familiar with and adhere to the Trust's Safeguarding Children Procedures and Guidelines.
- You attend Safeguarding Awareness Training and undertake any additional training in relation to safeguarding relevant to your role.

Social Responsibility

The Trust is committed to behaving responsibly in the way we manage transport, procurement, our facilities, employment, skills and our engagement with the local community so that we can make a positive contribution to society. As an employee of the Trust, you have a responsibility to take measures to support our contribution and to reduce the environmental impact of our activities relating to energy and water usage, transport, and waste.

Continuous Improvement

The Shrewsbury and Telford Hospital NHS Trust is committed to creating a culture that puts Continuous Improvement at the forefront of our transformational journey and our aim is to empower colleagues at all levels have the confidence, capability, passion, and knowledge, to test changes and make improvements at SaTH and in the communities we serve.

Following a successful five-year partnership with the Virginia Mason Institute in the USA, SaTH continues to

further develop and embed the Trust's approach to Continuous Improvement at all levels of the organisation. You will be supported by an Improvement Hub, which will provide the necessary expertise to support you make improvements, while also providing training at various stages of your time at SaTH, as part of your continuing professional development.

No Smoking Policy

There is a no smoking policy in operation within the Trust. Smoking within the Trust's premises or within the Trust's grounds is not permitted.

Miscellaneous

This job description is an outline of the key tasks and responsibilities of the post and is not intended to be an exhaustive list. The job may change over time to reflect the changing needs of the Trust and its services as well as the personal development.
