

Why should you join the Acute Floor at RSH? Let our team tell you...

"It is a totally new experience for all of us. We all work in an environment where we feel supported, encouraged, and motivated to develop our professional skills and knowledge."

Merin, Staff Nurse

"It's exciting, you're kept on your toes and you learn things every day. It's great for people who like to be busy!"

Chloe-May, Sister

"Every day is a new day. You will always come away from a shift with improved knowledge and skills. All the staff within the Acute Floor are approachable and will always answer any query, however small it may be."

Sara Taylor, Healthcare Assistant

"Working on both 22SS and AMU has been a great learning curve. There are always new challenges to face together as a team. My confidence in my role is forever developing."

Chris Reece, Healthcare Assistant
