About the Trust

The Shrewsbury and Telford Hospital NHS Trust (SaTH) is the main provider of acute hospital services for around half a million people in Shropshire, Telford & Wrekin and mid Wales.

Encompassing some of the most picturesque parts of England and Wales, the Trust's catchment stretches from the Cambrian Mountains in the west, to Newport and the fringes of the Black Country in the east. The main towns include: Bridgnorth, Ludlow, Market Drayton, Oswestry, Shrewsbury and Whitchurch (in Shropshire); Newport, Telford and Wellington (in Telford & Wrekin); and Newtown and Welshpool (in Powys) – all beautiful and unique.

Our main service locations are the Princess Royal Hospital (PRH) in Telford and the Royal Shrewsbury Hospital (RSH) in Shrewsbury which are located 20 minutes' drive apart. Together they provide 99% of our activity. Both hospitals provide a wide range of acute hospital services including accident & emergency, outpatients, diagnostics, inpatient medical care and critical care.

We also provide services such as consultant-led outreach clinics at the Wrekin Community Clinic, Telford, the Robert Jones and Agnes Hunt Orthopaedic Hospital, Gobowen and the Bridgnorth, Ludlow and Whitchurch Community Hospitals.

We employ almost 6,000 staff, and hundreds of staff and students from other organisations also work in our hospitals. We benefit from around 1,000 wonderful volunteers, and our main charitable partners are the League of Friends at the Royal Shrewsbury Hospital, Friends of the Princess Royal Hospital, and the Lingen Davies Cancer Appeal which is based at the Royal Shrewsbury Hospital.

We are committed to providing the best possible diagnostic facilities and high-quality clinical care in a clean, supportive environment where patients are treated effectively with respect and dignity.

The Shrewsbury and Telford Hospital NHS Trust continues to work with our partners in health and social care in Shropshire, Telford and Wrekin and mid Wales to develop patient-focused services that meet the needs of our communities.

Plans have been given the go ahead to transform local hospital services for the half a million residents of Shropshire, Telford & Wrekin and mid Wales to make sure two vibrant hospitals and the wide range of services they provide for people locally are kept in the county. This landmark decision will result in better care for patients, secure the £312m on offer from HM Treasury and develop both hospital sites to deliver state of the art facilities in which staff will be proud to work and patients will choose to be treated.

Main Duties & Responsibilities

Clinical

- To have excellent team-working skills with the abilities and professional attitude to work well in a multi-professional team.
- To deliver clinical and quality targets agreed both nationally and locally with clinical teams and commissioners.

- To participate in the audit and governance and support the training of junior medical staff and other staffing groups that care for our patients.
- To carry out appropriate administrative duties in support of clinical commitments
- To be a core member and participate in the Breast Cancer MDT
- To follow patients throughout their clinical pathways.

Organisational

- To work with local managers and professional colleagues in the employing Trust in the efficient running of the service.
- To be subject to the provisions of the Terms and Conditions of Service, be required to observe the Trust's agreed policies and procedures, drawn up in consultation with the profession on clinical matters and to follow the local and national employment and personnel policies and procedures.
- To participate in the Continuous Professional Development and the Trust's appraisal scheme.
- To be aware of the responsibility of all employees to maintain a safe and healthy environment for patients, visitors and staff and attend all relevant health and safety training.
- Ensure that all Trust-wide standards are maintained to improve the quality of total care to all who come into contact with services provided by Shrewsbury and Telford hospital NHS Trust.

This job description is not intended to be exhaustive. The post holder will be expected to carry out any reasonable duties requested of them, appropriate to the grade and role of the post. Duties and responsibilities may vary from time to time in light of changing circumstances and in consultation with the post holder.

Job Description

Job Title:	Consultant in Breast Surgery
Grade:	Consultant
Division:	Surgery, Anaesthetics & Cancer
Responsible to:	Divisional Medical Director
Professionally Accountable to:	Medical Director
Hours:	10PAs
Duration:	Permanent
Salary:	£105,504 to £139,882 per annum [MC72]

Job Summary

The successful candidate would be joining the Breast multidisciplinary team providing Breast services covering Shropshire and Mid Wales. The post holder would provide support to General Breast cancer services, including those referred from the screening programme.

The role would have an emphasis on Oncoplastic Breast Surgery, a service which was established here in 2011. The necessary resources are available to provide this.

The successful candidate will be expected to take part in continuing medical education and audit and provide teaching to members of the professional and nursing staff within the hospital, as well as medical students. Those candidates with an interest in research will of course be encouraged.

The Post

The Department

This is a new post to provide Breast Surgical services to the county of Shropshire and a sizeable part of the adjacent Welsh county of Powys with a combined catchment population of approximately 500,000.

The Shrewsbury and Telford Hospital NHS Trust General Surgical Services are currently provided by a total of 26 surgeons. 22 are based at The Royal Shrewsbury Hospital (RSH) (10 Colorectal, 6 upper GI and 6 Vascular). The Breast Service is currently provided by a total of 4 Surgeons based at the Princess Royal Hospital (PRH). With the appointment of another Oncoplastic breast surgeon the team will consist of 3 Oncoplastic and 2 General Breast Surgeons.

This post attracts 10 Programmed Activities per week and there is no General Surgical on-call commitment. The post includes 7.5 PA's for direct clinical care, 1.5 SPA for appraisal and revalidation and a further 1.0 SPA by negotiation to reflect additional responsibilities. Further PAs may be available by negotiation dependent on the demands of the service.

The Breast Surgery department consists of a small but efficient team of dedicated surgeons, doctors and specialist nurses who work within a multi-disciplinary team. The Breast Service is based at the Princess Royal Hospital in Telford where there are operating theatre provision, inpatient and day case admitting capacity and outpatients. Outpatients are supported by a dedicated Radiology team and provision is also provided at Royal Shrewsbury Hospital for outpatients.

Breast sits within the Surgical Centre which is managed by a full time Centre Manager with Clinical Directors and Clinical Leads who have dedicated time for management duties. The trust is committed to clinical engagement and all Consultants are expected to participate in relevant management activities. Key management decisions are discussed at the Trust's Management Executive, on which the Medical Director and Clinical Directors sit.

Consultants are responsible to their Centre Clinical Director, who is supported by specialty Lead Clinicians. The Senior Medical Staff Committee and Local Negotiating Committee ensure that the views of the Consultant body are always represented.

Breast inpatient services are located at the Princess Royal Hospital. Facilities exist for:-

- 1) Oncoplastic Breast Services
- 2) NHS Breast Screening
- 3) One stop symptomatic clinics
- 4) Breast surgery including sentinel node biopsy
- 5) Family History Clinic
- 6) Clinical Oncology & Palliative Care Services
- 7) Young women symptomatic clinics
- 8) Mainstream Genetic Testing
- 9) Dedicated Breast Pain Clinics

Improvement Initiatives

The service has secured West Midlands Cancer Alliance funding to deliver Breast Pain clinics in the community with the aims of providing care closer to home and appropriately directing referrals away from fast track pathways. This service has recurrent funding.

Regional Networks

The Breast Cancer Service Team work closely with the West Midlands Cancer Alliance, and various Expert Advisory Groups. Close links have been developed with many Trusts such as Wolverhampton NHS Trust. These links are key to improving communications, development of new ways of working and training opportunities as well as reviewing/delivering best practice. The whole team are encouraged to utilise these opportunities, develop their own networks and peer groups, that in turn will support and develop individuals and the team.

Job Plan

A formal job plan will be agreed between the successful candidate and their Clinical Director and consultant colleagues, on behalf of the Medical Director within 3 months of starting in post. A full-time job plan is based on a 10 PA working week. The job plan will be reviewed annually and is a prospective agreement that sets out the consultant's duties, responsibilities, and objectives for the coming year. It covers all aspects of a consultant's professional practice including clinical work, teaching, research, education and managerial responsibilities. It will provide a clear schedule of commitments, both internal and external and will include personal objectives, detailing links to wider service improvements and trust strategic priorities.

For a full-time contract, the job plan will be divided on average per week (pro-rata for a part time post) as:

- 7.5 Programmed Activities (PAs) of Direct Clinical Care - includes clinical activity, clinically related activity and predictable and unpredictable emergency work.
- 2.5 Supporting Professional Activities (SPAs) - includes CPD, audit, teaching and research.

The allocation of PAs is reviewed and may be subject to adjustment when a further diary exercise is undertaken or if the service demands a review of the team job plan.

Any applicant who is unable, for personal reasons, to work full-time will be eligible to be considered for the post. If such a person is appointed, modification of the job content will be discussed on a personal basis with the Trust in consultation with other consultant colleagues.

Doctors upon first appointment to the Consultant grade shall be entitled to annual leave at the rate of 32 days a year.

Doctors who have completed a minimum of 7 years' service as a Consultant shall be entitled to annual leave at the rate of 34 days per year.

The rate of annual leave will be based on a full-time contract of 10 PAs. Additional PAs above 10 PAs will not accrue additional entitlements to annual leave over and above the full-time allocation. For consultants working part-time, the full-time entitlement will be pro-rated in accordance with the contracted PAs.

Study Leave

Professional and Study leave includes but is not restricted to participation in:

- Study, usually but not exclusively or necessarily on a course or programme.
- Research
- Teaching
- Examining or taking examinations
- Visiting clinics and attending professional conferences
- Training

The appointee will be entitled to 30 days of Study/Professional Leave across a 3-year fixed period with a set budget.

Research

It is usual for the Trust to be participating in many research projects at any time. Every effort would be made to accommodate a particular research interest you may have, particularly if trainee members of the department could be incorporated in the methodological and practical stages.

Audit

Great importance is placed upon audit within the Shrewsbury and Telford Hospital NHS Trust and you will be expected to contribute to this as part of your role. The Trust has a fully staffed Audit Department at both hospitals with extremely well-organised teams.

Appraisal, Revalidation and Mentorship

- The Trust has the required arrangements in place, to ensure that all Doctors have an annual appraisal with a trained appraiser and supports all Doctors going through the revalidation process.
- The Trust supports the Royal College of Physicians Guidance on provision of mentors for new Consultants, in line with GMC recommendations. This will be provided within the Trust.
- We will require you to register SaTH as your designated body via the GMC to ensure that you are set up on the Premier IT Revalidation e-Portfolio (PReP) Revalidation System. We will complete this as soon as possible upon your commencement with the Trust.
- The Trust also supports the requirements for continuing professional development and is committed to providing time and financial support for these activities.
- A formal review of the job plan will be performed at least annually. Appropriate educational and training needs will be supported by the Trust, as agreed with the LNC (for example, the approval and funding of study leave). An annual job plan review at individual and departmental level is being introduced. You will be expected to participate in this exercise.
- We will require you to register SaTH as your designated body via the GMC to ensure that you are set up on the Equiniti Revalidation System. We will complete this as soon as possible upon your commencement with the Trust.
- The Trust also supports the requirements for continuing professional development and is committed to providing time and financial support for these activities.

Accommodation

The Trust offers single residential accommodation for medical staff depending on availability. The Trust only provides single accommodation so private rental would need to be arranged for family accommodation.

Other Facilities

There is an active Doctors Mess run by the Junior Doctors Mess Committee which organise social events, parties, outings etc. There are on-site fitness centres (a membership fee is payable) available to all members of staff.

Office and Secretarial Support

The post holder will have full-time secretarial support with an adequately equipped office space that will include a computer with access to Trust IT facilities this is a shared office within the admin hub at Princess Royal Hospital.

Staff Benefits

There are a number of staff benefits schemes which attract tax reductions if joined. This includes a discount on the staff car parking charge, staff gym membership, on-site crèche/childcare provision and access to NHS

Discounts schemes.

Our Vision and Values

The Shrewsbury and Telford Hospital NHS Trust is an organisation that strives to provide high quality, safe care for our patients in an environment which our staff are proud to work in

Our Vision:

“To provide excellent care for the communities we serve”

Our Values:

About our Vision

We believe that by adhering to our Vision and working with our Values in mind we can behave in a way which will ensure the right results for the people that matter most – our patients and their families.

About our Values

Our Trust Values provide a guide for our daily lives which we are all expected to uphold, both at work and when we are representing the Trust.

Our Values were developed by staff and our patients, so they represent what is important to us within the organisation and the way we should all behave towards patients, carers, visitors, partners and each other.

You will see our Values throughout the Trust; they are not just words on a page, they represent what we are about here at SaTH. We want patients and their families to say that the care and service they receive from all of us is consistently high-quality, safe, effective and personalised, so the feelings behind the Values shouldn't come as a surprise to anyone working in the NHS.

The reason why it is important that they are clearly written down is so we all know what's expected, and none of us are surprised if we are asked to explain any unacceptable behaviour.
